“Make Foggy Brain
a thing of the past...
and a healthy
mind and body
a thing of today!”

Benefits of Seven+™ Premium Focus

- Look and feel younger*
- Improve memory and brain function*
- Increase energy and mental clarity*

What is Seven+™ Premium Focus?

Seven+™ Premium Focus is a cutting edge nutritional supplement that is specifically formulated to potentially support the brain's cognitive abilities in the areas of memory, mental clarity and focus.* Seven+™ Premium Focus may support memory, increase energy levels naturally, increase brain blood flow, increase awareness and alertness and protect the brain from oxidation.* Seven+™ Premium Focus contains all of the nutritional benefits as our original Seven+™ Classic product with the addition of Yamabushitake, Periwinkle and Club Moss extracts, which have been studied for their effects on brain health.*

Why Do You Need Seven+™ Premium Focus?

With the onslaught of unhealthy food choices, added responsibilities, distractions and conflicting information, it can be overwhelming to keep it all together and get through each day. Fortunately, there is something you can do!

Seven+™ Premium Focus may help you to stay alert and focused and improve your brain function.* Seven+™ Premium Focus contains ingredients that are rich in flavonoids and phytonutrients that may protect the body from cellular oxidation.* Phytonutrients work at the cellular level to provide raw materials to the body that can help maintain health.* Seven+™ Premium Focus may be just what you need to help you stay alert and focused so that, at the end of the day, there's more time for YOU!*

Directions

By drinking one 3/4 ounce shot of Seven+™ Premium Focus every day, you can stay focused on the things that matter to you!
