What is Green Zilla₂O™?

Green Zilla₂O™ is your answer to aid in water and energy optimization.* Composed of an array of cutting-edge ingredients, Green Zilla₂O™ is a product that encourages going “green”, answering the market’s need for a powerful energy product that is extremely nourishing to your body!* In addition to a base formulation of Blue Green Algae and Aloe, Green Zilla₂O™ includes Ginseng extract, which may increase athletic performance and aid in supporting muscle recovery.*

Why Do You Need Green Zilla₂O™?

Hydration is the most important element of wholesome nutrition and a healthy lifestyle. The human body is made up of more than 70% water, our blood is more than 80% water, our brain is more than 75% water and our liver is made up of 96% water. Without water, our bodies cannot perform even the most basic of functions, from breathing to removing waste. Hydration is a key component of maintaining adequate levels of energy, hormone regulation, joint lubrication, body heat regulation and many other functions. What’s more, our bodies lose approximately 12 cups of water per day due to regular bodily processes. Green Zilla₂O™ was formulated with hydration in mind and should be taken with water in accordance with the directions.*

Good health doesn't just happen. It takes a concerted lifetime effort to achieve and maintain good health. The sooner you start to make your health your priority, the sooner you'll see and feel the benefits. Knowledge is the first step, but without action, all the knowledge in the world can't help you on your quest to improved or optimized health. Take the next step; order your Green Zilla₂O™ today!

Directions

As a dietary supplement, one squeeze (about ½ teaspoon) into 16-24 ounces of water (or more), 4 times per day may help you to boost your energy and performance. The inclusion of water with Green Zilla₂O™, may help increase your level of hydration, which may improve your brain and organ functions as well.*

Tip: One squeeze into 16-24 ounces of hot water makes a delicious tea.
